SUMMARY

I am a detail-oriented and analytical Computer Science Engineering undergraduate with strong problem-solving skills. My mathematical proficiency helps me approach challenges logically and optimize processes efficiently. With strong communication and interpersonal skills, I excel at building relationships, supporting users, and ensuring smooth operations. I am eager to develop expertise in account management and strategic collaboration while contributing effectively to a dynamic environment.

EDUCATION

VIT Bhopal University, Bhopal

B.Tech - Computer Science and Engineering

2022 – Present

Indian Convent School, Bundi

Higher Secondary School, CBSE Board

2019 – 2021

Percentage: 77.4%

Pt.D.D.U.S.D.Vidyalaya, Kanpur

Senior Secondary School, CBSE Board

2014 – 2019

Percentage: 90.34%

COURSEWORK / SKILLS

- MS Excel
- Problem-Solving
- Time Management Skills
- SQL
- MS Power Point
- Efficient use of AI tools

INTERNSHIPS & PROJECTS

Khushbu Welfare Society(NGO) | Taught basic computer skills to underprivileged children at an NGO from November to January, covering computer operation, basic applications, and internet navigation. Engaged students through interactive sessions, fostering curiosity and digital literacy. Enhanced communication and teaching skills while contributing to bridging the digital divide.

Internship at FR Web Solution | Completed a six-month internship as a Software Developer at FR Web Solution from September 2024 to February 2025. Gained hands-on experience in designing, developing, and debugging web applications, while improving proficiency in technologies such as HTML, CSS, JavaScript, and server-side programming using Java. Worked with relational databases like MySQL and PostgreSQL to perform CRUD operations and optimize SQL queries. Actively participated in code reviews and followed agile development practices to deliver high-quality software solutions.

CERTIFICATES & ONLINE COURSES

- Data Analytics Using Excel
- Matlab onramp (Mathwork training certificate)
- Offline workshop for machine learning and data analysis.
- Data Science Talk
- The Bits and Bytes of Computer Networking - Coursera

EXTRA CURRICULAR ACTIVITIES

- Volunteer-NGO Helping Hands.
- Team member of the Data Science Club at VIT Bhopal.
- Committee member of Advitya 2025
- Runner-Up at Game Flix organized by VITronix Club.

HOBBIES INTERESTS

- I have a strong passion for mathematics, playing with numbers and engaging in logical reasoning challenges.
- I invest in the stock market, managing my Demat account and analyzing market trends to make informed investment decisions.
- Playing chess is another interest of mine, as it helps enhance my strategic thinking.
- I enjoy traveling and exploring new places, experiencing diverse cultures, and gaining new perspectives..
